

TAILOR-MADE ACCOMPANIMENT,

AT EVERY STEP OF YOUR LIFE

I am committed to offering you strategies that are adapted to your needs and your personal needs by helping you:

- Set up your budget
- Maximize your assets
- Manage your credit
- Buy your home
- Save for your projects
- Analyze your insurance coverage
- Finance the education of your loved ones
- Prepare your retirement
- Plan your estate
- Maximize your tax strategies

My experience

- I have been in the financial field since 2013
- Certificate in Business Administration
- Spoken languages: French and English
- Skills enhancement

My commitment

- To help you reach your reality, your projects and your aspirations
- Commit to a long-term relationship development
- Offer financial strategies
- Regular follow-up according to your specific needs
- Review your financial strategy to your important life events
