Turning your purpose into philanthropy

September 15, 2026

Why a Community Foundation?

Connect your personal purpose to something bigger

- Start with what matters to you: identify your values, interests, and goals
- Access community foundation knowledge and expertise: understand local needs, opportunities, and emerging issues
- Support any registered charity in Canada: adapt your giving as interests evolve and contexts change
- Create impact today and tomorrow: give immediately, endow for lasting impact, plan bequests and legacy giving
- Engage beyond financial giving: involve family, explore causes more deeply, and build lasting community connections
- Accessible starting point: establish a fund with as little as \$5,000
